# OBJECTIVES

## KEEPING YOUR FACEBOOK FRIENDS AWARE OF YOUR NON PRESENCE

If you are away from keyboard or are in a situation when you do not have time to reply to your Facebook messages, this chat bot would reply and continue the conversation on your behalf. It gives **very funny and versatile answers** that nobody would expect it were a bot. You could set a **dummy message** to be sent to your friends as is done in case of e-mails

## KEEPING YOUR FACEBOOK FRIENDS BUSY CHATTING WITH YOU WHILE YOU ARE AWAY

It automatically replies to your friends' messages without any kind of input from you. If you want to know what kind of reply it gives, try cleverbot.com. This script uses Sleekxmpp library, an excellent work from Fritzy for managing the xmpp protocol.

## VERSATILE ANSWERS TO MESSAGES

Cleverbot is a very good bot engine as it has different verities of crowd sourced answers for all kinds of questions. You can visit cleverbot.com and see for yourself how good it is.

## RUNNING THE BOT ON THE CLOUD

The software can be cloned and pushed to Heroku to run it on the cloud 24x7. It's completely free.
