INSTALLATION GUIDE

This guide takes you through the steps to install the software.

1. Install **Python 2.7.x**

2. Using pip install **Sleekxmpp**

3. Copy **cleverbot.py** and **chatbot.py** to the same folder. Discard remaining files, if there are any.

4. Edit **chatbot.py**. Set correct values for "*your-fb-user-id*" and "*your-fb-password*", which would be your Facebook id and password

5. Run chatbot.py
